

ZEBULON TODAY

Hosea 5:15 I will go and return to my place, till they acknowledge their offence, and seek my face: in their affliction they will **seek me early**.

In most Central American countries, income from traditional exports such as agricultural products and textiles is concentrated in the hands of relatively few people – large-scale landowners and entrepreneurs. Half of Central America's population lives below the poverty line, and in rural areas two out of three people are poor. Three out of every four rural poor people cannot satisfy their basic nutritional needs.

Honduras is the most dramatically affected country, with 75 per cent of its rural population living in poverty and 63 per cent of them in extreme poverty. Next in rank is Guatemala, with 54 per cent of rural people living in poverty, and Nicaragua and El Salvador with 47 per cent of rural poor people. Panama and Costa Rica have lower incidences of poverty, with 37 per cent and 23 per cent, respectively.

Indigenous peoples are among the poorest in the region. Indigenous communities are particularly vulnerable to poverty because they have the lowest income levels and do not have access to basic services such as education, health care and housing.

However, remember why this happen to our people! God allowed this to happen for being disobedient to His laws, and worship new gods like the statue of the fake Jesus, and the many gods of santeria. If we repent and keep the commandments, the tribe of Asher, along with the other 11 tribes of Israel will overcome the evil and the atrocities committed by our slave masters with the second coming of Jesus Christ, the BLACK MESSIAH!

Romans 13:11 And that, knowing the time, that now it is **high time** to awake out of sleep: for now is our salvation nearer than when we believed.

Matthew 4:17 From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is **at hand**.

THE TRUTH ABOUT CENTRAL AMERICA

Central Americans are a strong people and according to the holy bible, they are from the tribe of Zebulon

Genesis 49:1 And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days.

Genesis 49:13 Zebulun shall dwell at the haven of the sea; and he shall be for an haven of ships; and his border shall be unto Zidon.

Zebulon is a haven of ships! The Panama Canal is the one place where ships come to travel between the Atlantic Ocean to the Pacific Ocean the fastest way possible. This Canal was opened to shipping in 1914 Central America is Zebulon, where the ships of the world come to trade and pass.

Zebulon was the 10th born son of Jacob. His name means “My Dwelling”;

Genesis 30:20 And Leah said, God hath endued me with a good dowry; now will my husband dwell with me, because I have born him six sons: and she called his name Zebulun.

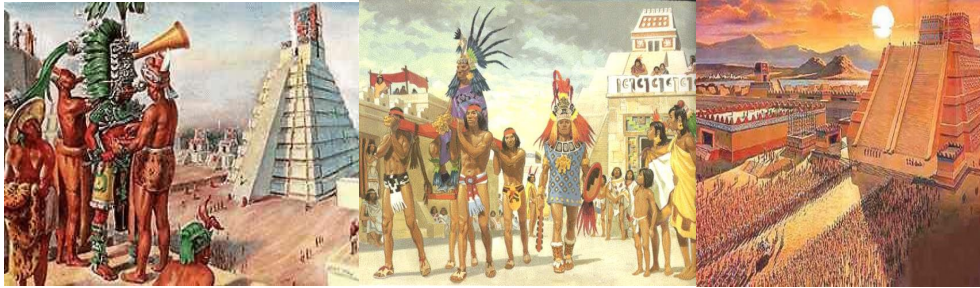

Deuteronomy 33:19... for they shall suck of the abundance of the seas, and of treasures hid in the sand.

Central America is known for it's beautiful Coral reefs and abundant fishing activities such as are tuna, aquaculture and inshore fishery. Central America's Fishing industry is worth \$1.5 Billion a Year; over 100.000 households depend on fishing for their daily income.

When Zebulon Broke the Commandments

According to **Deuteronomy 33:18** And of Zebulun he said, Rejoice, Zebulun, in thy going out; and, Issachar, in thy tents.
19 They shall call the people unto the mountain; there they shall offer sacrifices of righteousness:

Zebulon, or the ancient Maya, at one time offered sacrifices, according to the commandments of God. Issachar called Zebulon with a Horn of a ram, as in Israel, to come and offer righteous sacrifices. However, their sacrifices were anything but righteous. They sacrificed human flesh, and were reputed to eat parts of the body, especially the heart. They were cannibals in the worst way!

Hosea 8:13 They sacrifice flesh for the sacrifices of mine offerings, and eat it; but the LORD accepteth them not; now will he remember their iniquity, and visit their sins: they shall return to Egypt. **14** For Israel hath forgotten his Maker, and buildeth temples;

Deuteronomy 32:17 They sacrificed **unto devils**, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not.

These temples were offered to many gods such as Quetzalcoatl, Tlaloc, and the **goddess Tonantzin, which is now known as "Our Lady" La Guadalupe**, a fake version of a false Maria that does not exist in the Bible!

When Zebulon Fell

According to **Deuteronomy 28: 15-68**, Israel was warned that if we do not keep the commandments God had given them, curses would fall upon us.

Deuteronomy 28:49 The LORD shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand;
50 A nation of fierce countenance, which shall not regard the person of the old, nor shew favour to the young:

The Maya occupied a territory that is now incorporated into the modern countries of Guatemala, Belize, Honduras and El Salvador; the conquest began in the early 16th century and is generally considered to have ended in 1697. Many conquistadors viewed the Maya as "infidels" who needed to be forcefully converted and pacified, disregarding the achievements of their civilization.

By 1708 only about 6,000 Maya remained in central Petén, Guatemala, compared to 60,000 in 1697. Although disease was responsible for the majority of deaths, Spanish expeditions and internecine warfare between indigenous groups played a serious part. The introduction of Catholicism was the main vehicle for cultural destruction, and resulted in religious syncretism (the combining of different, often contradictory beliefs, a.k.a. Santería and Catholicism.)
